Quality Policy & Mission Statement

J&M Crane & Transport Limited, is a family owned crane hire and haulage contractor, working predominately in the south east of England, although we do supply a nationwide service. We work for small builders through to national and international construction and pharmaceuticals companies. We are focused on producing managed quality driver-operated crane service delivery to our employees and principal contractors.

The provision of quality goods and services is our main key objective.

In this quality statement we commit our company to:

- Supply Modern plant
- Well maintained plant.
- All plant & equipment supplied with currant certificates.
- All personnel will be qualified in their trade.
- Plant & personnel arrive on the date and time specified.
- All personnel will be professional in the duties and attitude.

This combined quality and mission statement will be regularly reviewed and update as necessary. The management team endorses this statement and is fully committed to their implementation.
